COUNCIL COMMUNICATION

AGENDA TITLE: Traffic Resolution Amendment - Parking Restriction Extension on the 300 Block of Maple Street

MEETING DATE: August 19, 1992

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution amending the Traffic Resolution #87-163 to extend the parking restriction on the 300 block of Maple Street.

BACKGROUND INFORMATION: The Public Works Department received the attached petition (Exhibit A) requesting the existing parking restriction in the vicinity of PCP Cannery be extended to the 300 block of Maple Street. The area was surveyed and staff observed many parked vehicles on this block as well as some on Central Avenue near Maple Street and portions of the 400 block of Maple Street. This area is closer to the employee entrance than the PCP parking lot which was heavily used.

Staff recommends the following restrictions be extended to the 300 block of Maple Street:

"No Parking" for one hour from
8:00 a.m. to 9:00 a.m.
3:00 p.m. to 4:00 p.m.
3:00 a.m. to 4:00 a.m.
Except with resident permit

The current fee of the residential permit in other areas is \$3 for three years. The fee helps defray the cost of signing, enforcing and record keeping. If City Council approves this parking restriction, the Finance Department will send notices to the residents explaining the process of applying for a permit. For those residents who do not wish to purchase a permit for their vehicle, they can still park on the street except during the three one-hour periods.

Staff feels the parking problem may extend to adjacent streets if the parking restriction is implemented. Staff notified adjacent residents of this meeting as shown on Exhibit B. If City Council wishes to extend the parking restrictions to some of these adjacent streets, Public Works staff has no objections.

PETITION

Exhibit A

300 Block of Maple Street

1 of ?

We, the residents of the 300 block of Maple Street, do hereby petition the City of Lodi to extend the residential permit parking in the vicinity of PCP Cannery as shown on the attached exhibit. Currently, this area has no parking restrictions. Permits will exempt residents from these restrictions.

We understand that the City will charge a fee for each permit. In other residential permit parking programs, the fee to the residents for each permit was \$3 for three years. This fee helps defray the cost of signing, enforcing and record keeping, and may change for this zone.
